

My First Value Book

by Korea Child Academy

Groundwork for upright character in body, health, safety, communication and cooperation

Using the 'government preschooler education course' which has been implemented since March 2013 in Korea, each title deals with a very practical and essential topic.

∞ **Review Page for children**

By reading the summary page, comparing the story with the child's behavior and drawing their own picture related to its story, they can comprehend better.

∞ **Parents Coaching Expert's explanation at the end**

Pages: 32pages

Target reader: 3-6 ages

All Languages Rights Available

Size: 235mm(w) * 228mm(l)
