All the instruments have  
started a concert.  
Hurry and come  
to the concert in the woods.

Zing Zing Zingzing,  
I sway my hips to the  
sound of the violin.  
It becomes a beautiful dance  
without me knowing.

Ding-ga-ding,  
the sound of the guitar.  
Trickle trickle trickle,  
sounds like the river flowing.

Woo-loot Woo-loo-loot,  
It is the sound of the  
baby parrot's flute.  
Sounds like the breeze during spring.

Ba-La-Dum-Dum,  
It is the loud sound  
of the blowing trumpet.  
Sounds like the mother elephant.

Boom Boom, the sound  
of a small drum,  
Sound like the water trickling down a leaf.  
Chang Chang, the symbols clap  
their hands with joy.

Ding-Dang-Dong,  
It is the sound of the  
black and white scales on the piano.  
Almost like a butterfly fluttering around.
