

# TUNTUN ENGLISH

Children's Books

“TunTun English believes that every step of a child’s learning process should be natural, easy, and enjoyable.”

We have made significant contributions, as one of Korea’s foremost specialists in the English education field, by publishing and distributing our language learning material and self-study system.

Through the TunTun English education system, children learn English naturally, while studying what they like and what they’re most interested in.

S: Song Book C: Chant Book

**Trim Size & Pages** 230 x 250mm, 24~28pp, Hardcover

52 Storybooks, 44 Workbooks, 43 types of Activity Resources, 24 Audio CDs, 24 DVDs

2 Storybooks, 2 Workbooks, 2 types of Activity Resources, 1 DVD, 1 Audio CD

- A systematic comprehensive English program for young children who first start learning English
- Rich audio sources and video materials, workbooks and activities for based on 52 picture books
- A well organized EFL program following the process of acquisition of mother tongue
- Designed to master basic English skills (listening, speaking, reading, writing) in sequence for 24months

## Story Books (52)

Topics appropriate for the developmental process of early childhood

Illustrations that are carefully considered so that children who learn English for the first time can easily understand the contents of storybooks.

## Activity Resources (43)

Children could keep up with what they learned from storybooks with actual materials such as paper dolls or puzzles by themselves.

## Work Books (44)

Children can review English skills through various activities such as sticker activity, coloring, word card game, etc.

## Audio CDs (24)

Audio CD provides drama, musical, chant, song and storytelling so that learners can enjoy English listening without getting bored.

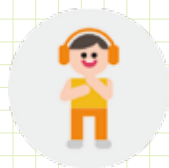

## DVDs (24)

DVD consists of story animation, situation drama, dance routines and phonics learning video.

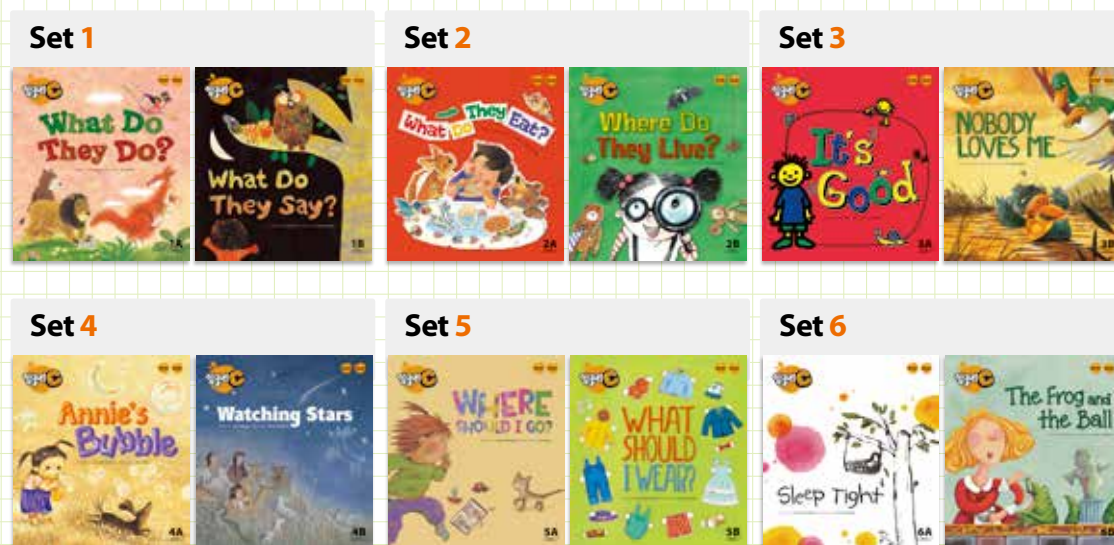

# LEVEL 1

The goal of level 1 is to become familiar with English through the picture books that cover the topics about me and my surroundings.

# LEVEL 2

In the level 2, children will be able to speak easy English expressions through the story structure of asking and answering, and learn the alphabet.

# LEVEL 3

In level 3, children will be able to speak English using words that they see and hear frequently in picture books, and learn basic phonics through workbooks and phonics videos.

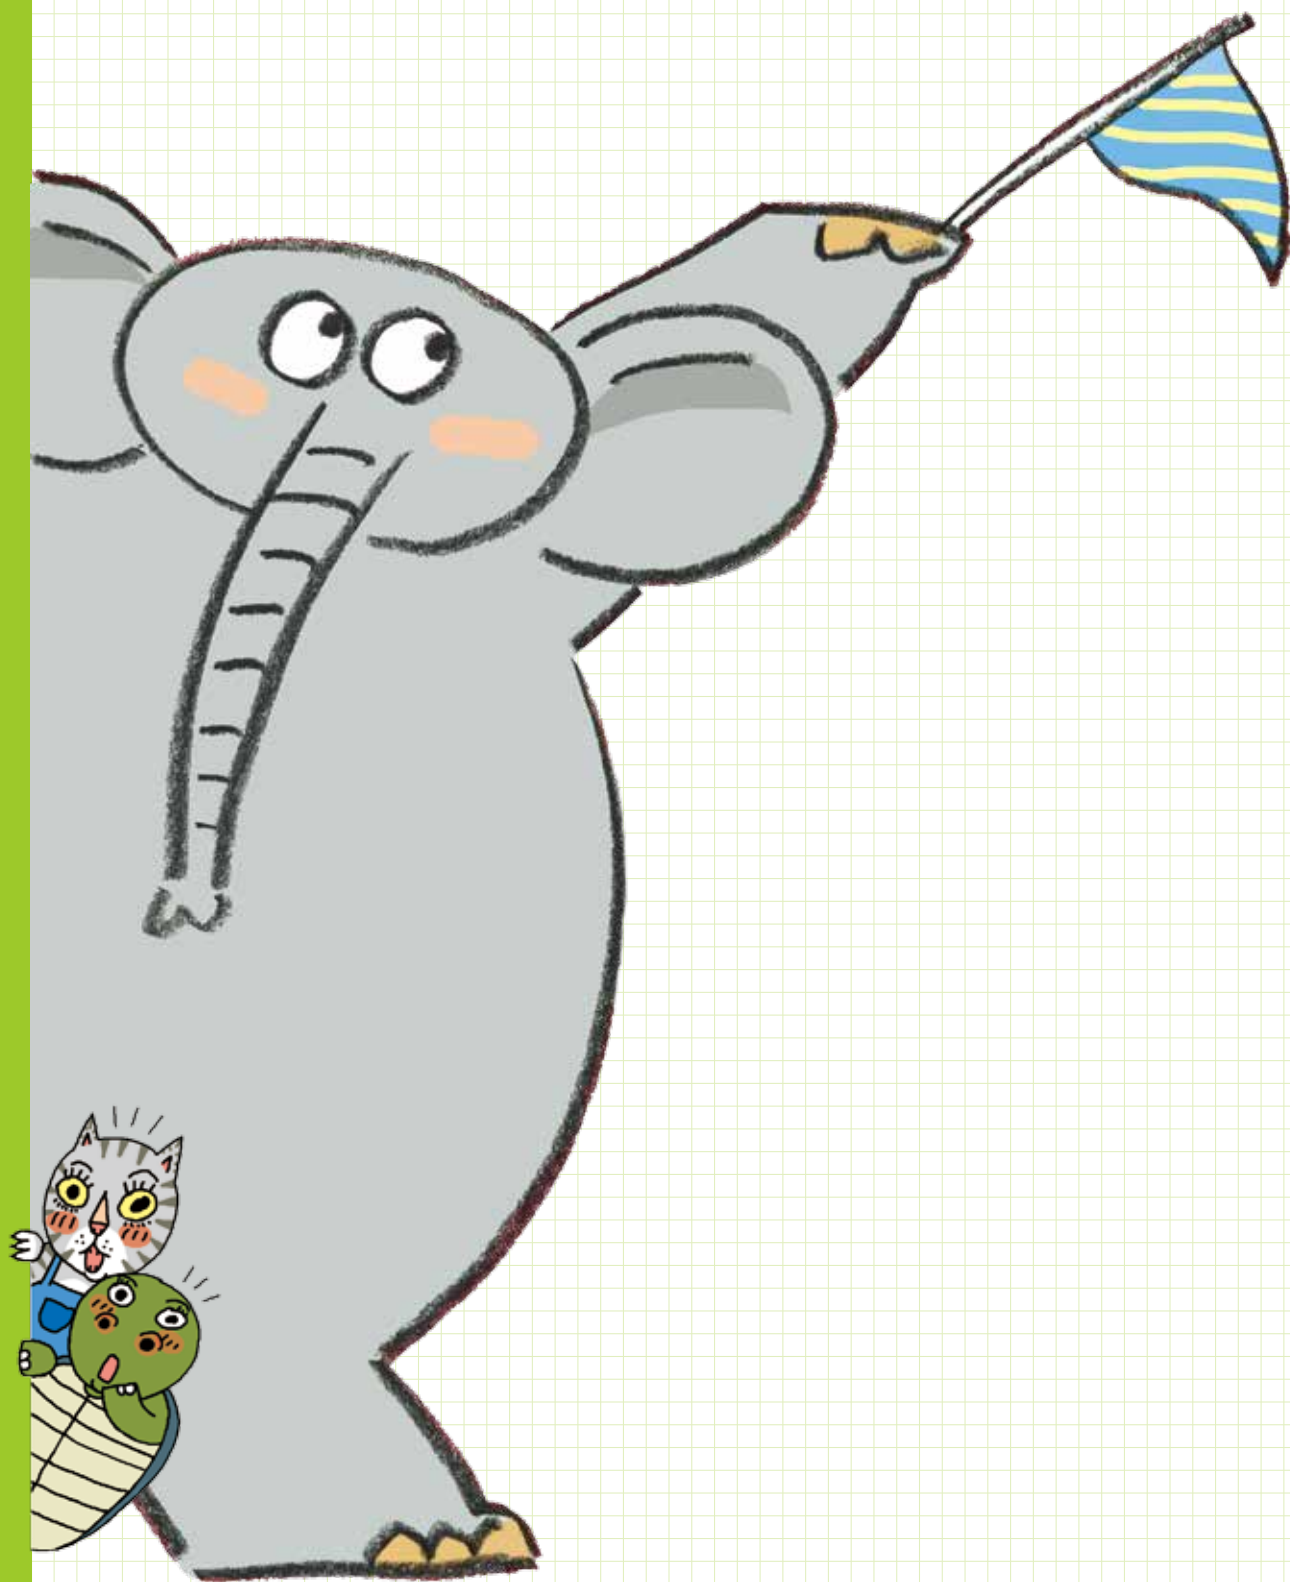

# LEVEL 4

In level 4, children will understand a little more complicated story, and read and write familiar words. Stage to establish the basics of reading and writing.

## Mastering sight words and basic phonics

- Designed to introduce letters and their sounds to young EFL learners
- 115 sight words on the Dolch Word list, letter sounds, and basic phonics to learn through meaningful and interesting stories
